The Cumming School of Medicine is pleased to announce the appointment of Dr. Scott Patten, MD, PhD, as interim head, Community Health Sciences. He replaces Dr. Brenda Hemmelgarn, MD, PhD, who was appointed to dean, Faculty of Medicine and Dentistry, University of Alberta, earlier this month. The appointment is effective Nov. 1 until a permanent appointment is in place.

AWARD

Advancing improvements in cancer recovery

Dr. Nicole Culos-Reed, PhD, Faculty of Kinesiology, received a CIHR Research Excellence Award through the Canadian Association of Psychosocial Oncology on September 26. She was honoured for her significant contributions in psychosocial oncological research and practice. Culos-Reed is co-lead of Alberta Cancer Exercise, or the ACE program, a free community-based exercise program to help those with cancer improve their recovery. The program is part of a five-year study, incorporating evidence-based research at every step. ACE is funded by Alberta Innovates and the Alberta Cancer Foundation.
Test Your Concept (TYC)

SUPPORT Committees are hosting TYC sessions for researchers interested in applying for major funding competitions to provide feedback and guidance early on. Faculty members interested in feedback on a specific research proposal are encouraged to participate.

RSVP to ipd@ucalgary.ca indicating a preliminary project title and your preference of committee with a half-page concept summary one week prior to the session.

Science in the Cinema - Wednesday October 16, 6:30 pm

Free movie and a popcorn! Join us for "Wonder" at the Plaza Theatre. The movie tells the inspiring story of a young boy who faces a challenging journey at school. Following the movie, ACHRI members Drs. Adam McCrimmon and Kelly Dean Schwartz, registered psychologists and associate professors in the Werklund School of Education, will discuss what we have learned about bullying, children's resilience, empathy, and strength. This is a great opportunity for conversation with our Calgary community.
